Patriarch is a top NTEP variety in overall turf performance. It has dark green color and excellent texture providing a premium turf. Patriarch was top NTEP rated for gray leaf spot resistance, traffic stress and drought tolerance. Patriarch's superior turf quality consistently rated it near the top for wear tolerance.

Patriarch is an excellent choice for high traffic areas where a durable grass is required. Patriarch blends well with perennial ryegrass, fine fescue, Kentucky bluegrass and tall fescue. When looking for the latest technology in perennial ryegrass consider Patriarch for your premium turf needs.

### Benefits
