Setting the benchmark for consistent, high-quality performance - Pisces is a top-ranking perennial ryegrass in NTEP trials. Pisces starts the season strong with exceptional spring density and early spring green-up, then maintains good ground cover and vibrant color throughout the growing season.

Pisces is more than just aesthetic – it's also hard working. This variety stands out with proven wear tolerance, notable salt tolerance, and strong resistance to dollar spot, making it an excellent choice for high-use turf areas that demand both durability and beauty.

Benefits

- Top 5 overall turf quality
- Superior overall quality
- Excellent spring greenup & density
- Excellent dollar spot resistance
- Good ground cover throughout the season

Seeding Rates

Permanent Turf:	7-8 lbs/1,000 square feet
Overseeding:	3-4 lbs/1,000 square feet
Overseeding Warm Season Turf:	10-20 lbs/1,000 square feet
